AUTHORIZED DISTRIBUTION PARTNERS

PRECISION SUPPLY SIMPLIFIED

- Oil Filled Transformers
- Dry Type Transformers
- Station Class Transformers

- Current Transformers (CTs)
- Potential / Voltage Transformers (PTs / VTs)
- Metering, Protection & Relay CTs
- High-Accuracy Revenue Metering CTs
- Voltage Signal Output Current Transformers
- Custom Ratios & Configurations

- Industrial Relays
- Timers
- Monitoring Relays
- Interface Modules
- Industrial Control Components
- LED Industrial Lighting
- Panel ventilation & Thermal Management

- Cable Ties, Mounts, Clips & Clamps
- Wire & Cable Protection
- Flexible Conduit & Fittings
- Wiring Duct & Raceway
- Heat Shrink & Insulation Products
- Wire & Cable Identification
- Label Printers & Software

- Temperature Sensors for Gas & Steam Turbines
- Thermocouples & RTD Assemblies
- Bearing Sensors & Wire Seals
- HRSG & Main Steam Line Sensors
- Thermowells & Sealing Glands
- Pressure & Vacuum Sealing Assemblies

- Variable Frequency Drives (VFDs)
- General Purpose & Heavy-Duty Drives
- IP66 / Washdown Drives
- Motor-Mounted & Decentralized Drives
- Soft Starters

- Line Reactors
- dV / dT Filters

- Miniature Circuit Breakers
- Molded Case Circuit Breakers
- Motor Protection Breakers
- Contactors
- Air Circuit Breakers
- Medium Voltage Vacuum Circuit Breakers

- Cable Ties, Mounts, Clips & Clamps
- Wire & Cable Protection
- Flexible Conduit & Fittings
- Wiring Duct & Raceway
- Heat Shrink & Insulation Products
- Wire & Cable Identification

- Cast Coil Transformers
- VPI Transformers
- VPE Transformers
- Low Voltage Distribution Transformers
- Encapsulated Transformers
- Industrial Control Transformers
- Custom Engineered Magnetic Solutions

- Compression Lugs and Ferrules
- Mechanical, Grounding and Power Distribution Connectors
- Terminal Blocks and DIN Rail Accessories
- Cable Ties, Heat Shrink and Wire Management Products
- Cord Grips, Cable Entry and Teck Connectors
- Fuse Holders, Blade Fuses and Circuit Protection Products
- Industrial Connectors and Pin & Sleeve Devices
- General Electrical Installation Hardware

Surplus Components

Strategic sourcing of surplus electrical components from leading global manufacturers, supporting maintenance, retrofit and time-sensitive project requirements.

- Hazardous Location LED Lighting
- Class I, II & III / Division 1 & 2 Lighting
- Harsh & Extreme Environment Lighting
- High Bay, Flood, Area & Linear Luminaires
- Emergency & High-Temperature Lighting
- ATEX, IECEx & UKEX Lighting Solutions

- Medium Voltage Power Distribution Systems
- Low Voltage Power Distribution Systems
- Custom Switchboards
- Panel Integration Solutions
- Copper Busbar Fabrication
- Electrical Enclosure Manufacturing

- Industrial Motors
- Variable Frequency Drives
- Motor Control Equipment

- Terminal Blocks
- PLC Automation Systems
- Interface Modules
- Industrial Interconnect Technology

- Surplus industrial control and automation components
- Hard-to-source OEM parts
- Circuit protection and control devices
- Terminal blocks and interconnect solutions
- Relays, interface modules and power supplies
- Industrial networking equipment
- Critical spares and emergency replacement support
